One Hundredth Anniversary of Smith's Bridge

Agreement June 14th, 1850 between Town of Plymouth—James McQuesten, Agt., and Herman Marcy of Littleton, N. H. The Old Time Record reads as follows—"Said Marcy agreed to proceed to frame, raise and finish a Covered bridge across Baker River for the Town of Plymouth at the site known as Smith's Bridge.

To be built on the same plan and same style as the ancient Lafayette bridge between Plymouth Vill. and Holderness, the work and finishing to be in all respects as thorough and good as the "Pont Fayette" covered structure long cherished and now unknown to the rising generation.—Marcy further agreed that he would not accept any compensation for his labor if he failed to do his work as well and thoroughly as the Covered bridge aforesaid across the Pemigewasset river."

"The said Town of Plymouth paid said contractor two dollars and fifty cents per running foot in length for said work measured from end to end, the contractor having no responsibility as to materials used. "The contractor to have all advantage he can derive from the old bridge in raising the new bridge."

(This proves that a bridge spanned the river at this point before the above mentioned Smith's Bridge was built.)

We have no knowledge of early repairs on this bridge, about 1940 J. A. Blaisdell of Meredith made quite extensive repairs on the bridge. We think the present tax payers of Plymouth will be greatly surprised to learn that the original cost of this covered structure was \$2,720.92 only.

We are indebted to Mr. George G. Clark of West Plymouth for the above information and picture of this ancient structure.

Within the past year one of the arches was so badly settled that the bridge was fast getting into a serious condition. We applied to the State and after a long wait State Engineer Hammond, with two additional bridge men, came to repair the bridge. Road Agent Leon Edgell furnished four extra men. Joe Yeaton furnished the lumber. Fifty-ton jacks, upon very strong stagings, were used to lift each end of the bridge and the ends of all the arches were renewed— heavy cross timbers and plenty of cement were put under the ends. The bridge was straightened, jacked, and readjusted on the arches.

During repairs the men withstood West Plymouth winds and high water. This bridge is now marked to carry loads not exceeding six tons and at no time should this rule be violated.

It is surprising to see the traffic which passes through this grand old bridge—which we have repaired at a cost of approximately \$4,400.00.

AUDITOR'S REPORT

Plymouth, New Hampshire

February 6, 1950

We have made a complete audit of all the books and records kept by the Selectmen, Town Treasurer, Town Clerk, Tax Collector, Overseer of the Poor, Road Agent, Trustee of Trust Funds, Treasurer of Library Trustees and Justice of the Municipal Court.

We verified cash balances and reconciled bank statements for all officials having bank accounts. The individual entries for all expenditures were verified by checking on authorization and comparing cancelled checks for all amounts with vouchers and accompanying invoices and payrolls. Column totals, extensions, page footings were checked for each set of books and proven.

In addition to auditing the books of various officials we prepared or approved statements showing the financial condition of the various departments and the results of operations for the year. We believe that our signed statements correctly show the facts of the audited books.

The securities of the trustees of trust funds were submitted for examination. All funds are invested in U. S. Government Bonds or deposited in the Plymouth Guaranty Savings Bank.

We examined the surety bonds of the town treasurer, tax collector, town clerk, trustees of trust funds, and road agent, and found that these officers were properly bonded.

We burned one \$600.00 Town of Plymouth Bridge Bond No. 16 and 10 Interest Coupons totalling \$120.00.

AUDITOR'S REPORT

Plymouth, New Hampshire

February 14, 1950

We have audited the cash books of the treasurer of the Plymouth Fire District and Plymouth Village Water Department.

We verified the cash balances and reconciled the bank statements. Individual entries for all expenditures were verified by checking on authorizations and comparing cancelled checks for all accounts with vouchers and accompanying invoices and payrolls.

In addition to auditing the books of the treasurer, we have prepared statements showing summaries of cash transactions. We believe that our signed statements correctly show the facts of the audited books.

We examined the surety bond of the treasurer and find that he is properly bonded.

We burned four Plymouth Village Fire District Refunding and Sewer Bonds, Nos. 37, 38, 39 and 40 totaling \$4,000.00 (\$2,500.00 water, \$1,500.00 sewer). We have also burned interest coupons totaling \$450.00.

STATE OF NEW HAMPSHIRE

Grafton, ss.

To the inhabitants of the School District in the Town of Plymouth qualified to vote in district affairs:

You are hereby notified to meet at the New Grade School Auditorium in said district on the ninth day of March, 1950, at eight o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a clerk for the ensuing year.
3. To choose a Treasurer for the fiscal year beginning July 1, 1950.
4. To choose a Member of the School Board for the ensuing three years.
5. To determine and appoint the salaries of the District Officers, and fix the compensation of any other officers or agents of the District.
6. To hear the reports of Agents, Auditors, Committees, or Officers heretofore chosen, and pass any vote relative thereto.
7. To Choose Agents, Auditors and Committees, in relation to any subject embraced in this Warrant.
8. To see if the District will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the District, as determined by the school board in its annual report.
9. To see what amount the District will vote and appropriate, in addition to the original appropriation for 1949-50, of the sum of \$12,000, which sum to be made available to the school district prior to July 1, 1950 in order to meet unanticipated obligations caused by failure of the State Legislature to appropriate money for state aid to local school districts.

10. To see what action the District will take in regard to the contract between the State of New Hampshire and the Plymouth Town School District.

11. To see if the District will vote to change the name of the New Grade School to the Guy E. Speare Elementary School.

12. To see if the District will vote to change the name of the "Model" school to the Plymouth Memorial Elementary School.

13. To see if the District will vote to authorize the School Board to borrow money to pay the debts of the District and to give therefor notes of the District countersigned by the District Treasurer.

14. To conduct any other business that may legally come before this meeting.

Given under our hands at said Plymouth this fifteenth day of February, 1950.

ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Plymouth School Board:

The report now submitted is the seventh written by the present superintendent of schools. The statements it includes are intended to place before all the people of Plymouth a brief discussion of those items which seem to me of greatest significance. All tabulations except such as ought to be a matter of public record have been omitted in an effort to make the report concise and to conform to school board suggestion that one way to save money is to avoid unnecessary printing.

Probably one of the most significant aspects of Plymouth school administration is the financial. That statement is very likely applicable to every other school department in the state. Its application to Plymouth is more direct because of the restrictions under which we are now working. The budget committee last March recommended a flat cut of \$5000 in school board estimates, and a complete loss of the estimated \$11,000 of state aid combined with that reduction gave us an initial handicap of \$16,000. When one considers the large part of an annual budget that is fixed by contract or statute it should not be difficult to understand the impossibility of making up a \$16,000 loss of revenue in the part that is subject to change. Plans and proposals relative to department attempts so to do will undoubtedly be revealed in school board reports and budget estimates for the year beginning July 1, 1950.

It has always been my opinion that a school budget should be as carefully drawn as possible and should honestly present needs of the schools. No Plymouth School Board with which I have worked has done

otherwise. However, when that kind of estimate is laid before the public there is perennial questioning of both the sincerity and the judgment of those who prepared the estimate and an apparent belief that school officials must be wrong. The right to hold and express such opinions is one of the fundamental reasons for the success of our American democracy.

As we consider the 1950-1951 budget it may be well for us to weigh these facts:

1. The loss of state funds, although enjoyed for only two years, is felt more keenly than as though they had never been received.

2. The budget is larger because of (a) the necessity of taking up a part of the \$16,000 loss previously referred to and (b) the lack of an assurance that state funds will be available in the coming year.

3. Every wise economy should be practiced but not to the point where either efficiency or teacher morale are reduced. It is entirely possible to make savings that, in the long run, cost too much to be profitable.

The major school transportation contract expires with the close of this year and must be re-negotiated for a period beginning July 1, 1950. No definite prediction of the terms of a new contract can be made at this time.

The Headmaster's report will carry statements of some of the important features of our high school program. In order to avoid duplication—my report will make only general points he may hesitate to express. It is my belief that Plymouth people may well be proud of their high school. Teachers are selected solely on the basis of their qualifications for the work they are expected to do. Real democracy is practiced both among teachers and pupils. Visitors who know the state-wide high school situation comment favorably on sev-

eral points of excellence among which are (a) the physical education program, (b) the activity program, (c) the school store, (d) the development of pupil responsibility, (e) the way our instruction is geared to actual life situations and experiences of pupils. Reports and comments coming to me seem to indicate that people generally have confidence in and are enthusiastic about their school.

Respectfully submitted,

ARTHUR S. ROLLINS,

Supt. of Schools

HEADMASTER'S ANNUAL REPORT

To the Superintendent of Schools:

I herewith submit my annual report as Headmaster of Plymouth High School.

In the interest of economy this will be a brief report.

Experience indicates that one gets what one pays for. Inferior materials may be bought at lower prices. An inferior education may be bought at a lower price, but it is not a good investment in the future.

The United States Chamber of Commerce reports that their findings show that what makes business good is good schools, where schools are best average incomes are greatest, rentals for homes are higher, more telephones are used, more magazines are read, fewer men are rejected under selective service — in short, good schools result in good producers and good customers.

I urge the tax payer to consider education as a worth investment in the future.

To hold gains already made and continue progress and improvement is our keynote. Faculty meetings are devoted to this purpose as are the meetings of several committees who are currently considering curriculum revision, improved standards, and subject offerings that will work to prepare pupils to be useful and happy citizens.

I wish to express my appreciation to the School Board, Superintendent Rollins, Citizens, Teachers and pupils for their help and cooperation during the past year.

Respectfully submitted,

ELLIOTT W. KEACH,

Headmaster

Plymouth Elementary School Report

To the School Board, Superintendent of Schools,

Parents and Citizens of Plymouth:

This has been a year of change for the Elementary School. The upper four grades are now comfortably situated in the remodeled building while the first four grades and the kindergarten are in the elementary school building erected in 1939.

On February 1, our school enrollment totaled 399 children with a corps of 16 teachers. The distribution of enrollment is as follows:

Grade	No. of children	Teacher
Kindergarten	42	Mrs. Ella Batchelder
Grade I	20	Miss Alice Danes
Grade I	20	Mrs. Thelma MacFarlane
Grade I	19	Mrs. Ruth Merrill
Grade II	23	Miss Ann Booth
Grade II	20	Miss Elah Cowart
Grade II	20	Mrs. Ellen Tapply
Grade III	21	Miss Dorothy O'Neill
Grade III	14	Mrs. Rosa Ahern
Grade IV	40	Miss Lulu Hoyt
Grade V	26	Mr. F. Douglas Bowles
Grade V	26	Miss Natalie Hopkins
Grade VI	32	Mrs. Rachel Wright
Grade VII	41	Mr. Albert Merrill
Grade VIII	36	Miss Pauline Spitzner
		Mrs. Anna Brown

Mr. Clarence D. Hart was granted a leave of absence for the second semester of 1949-1950. Mr. F. Douglas Bowles was appointed to fill this vacancy. At the same time, Mrs. Rosa Ahern was appointed to assist Miss O'Neill in Grade III.

The regular work of the classroom has been supplemented by such activities as band, arts and crafts, home arts, dramatics and reading clinic.

We wish to express our appreciation to the School Board, Mr. Rollins, members of the Parent-Teacher Association, and to all other friends who have helped us to make this a worthwhile year for our children.

Respectfully submitted,
(Mrs.) STELLA H. DURKEE,

This calendar provides for opening all schools on Wednesday after Labor Day and closing all schools on Thursday, December 21. The fall term of 16 weeks contains 72 school days in addition to one day out for Plymouth Fair; two days for Teachers' Convention; and two days at Thanksgiving.

Since the two Convention days may be counted as a part of the school year, the calendar contains a possible 182 days. If more than two days should be lost because of bad weather, the required minimum of 180 days could be met either by Saturday sessions or by keeping school as long as necessary after June 15.

REPORT OF SCHOOL NURSE

To Plymouth School Board:

I herewith submit my report as School Nurse from September 1948 to July 1949.

Number of children inspected 670

Symptoms of defects found:

Dental	114
Tonsils	51
Vision	34
Enlarged glands	9
Underweight	10
Skin	10
Speech	7
Orthopedic	4
Chest x-rays advised	8
Lungs	1

These corrections were reported made:

Dental	343
Fluorine treatments	77
Vision	72
New glasses	45
Lens changed	27
Hearing under treatment of Physician	10
At Sanitorium	1
Orthopedic, under treatment	3

Communicable diseases reported:

Chicken pox	1
Measles	130
Mumps	5
Whooping cough	8
Scarlet fever	1
Pediculosis	5
Skin	10

The hearing tests were given by the Group and Individual Maico Audiometers. These were well followed up by examinations by physicians. Six children were taken to a hearing specialist; three had tonsil operations by American Legion and Welfare Funds.

The Massachusetts Vision Testing System was used in testing the vision. Two children had examinations and glasses by the State Sight Conservation Program. Sixteen children were examined and had chest x-rays at the New Hampshire Tuberculosis Chest Clinics. One pupil is at Glencliff Sanitarium. Twenty-three children were treated in 46 dental visits at Clinics, sponsored by the Red Cross and Salvation Army, 18 of whom received free care. The treatments given were 41 fillings, 24 extractions and 13 cleanings. One High School pupil had plate work.

Several families had help with clothes through different agencies. The Plymouth Teachers College, at Christmas time, especially helped with this project.

These defects were found on examination of the High School pupils, by Dr. McIver, in September, 1949:

Number examined	291
Dental	50
Tonsils	16
Skin	1
Poor posture	10
Scoliosis	3
Orthopedic	1
Flat feet	21
Heart symptoms	2
Thyroid	1
Advise chest x-ray	6

These symptoms of defects were found on inspection at the Grade School in Fall, 1949:

Number inspected	393
Dental	103
Tonsils	31

Glands	24
Speech	9
Orthopedic	1
Hearing	10

I would suggest that a general Health Fund be started to help with some of these problems.

Once again I take this opportunity to thank the School Board, Superintendent, Teachers, Parents and pupils who are helping to maintain and improve the health of the children of Plymouth.

Respectfully submitted,

ANNA M. LOVETT, R.N.
